

National Capital Region Ringette League

The Robert MacKean Scholarship Award

About Robert MacKean

Robert MacKean had an impact on all who knew him. In the Ringette Community Robert was a tireless volunteer and always viewed Ringette as a wonderful gift his girls gave to him. He was so very thankful to contribute any amount of time to making their experience the very best. No matter how logistically and physically challenging it became for him volunteering year after year he always stepped up with enthusiasm and a smile.

Robert would often comment on how the sport was built on a strong base of volunteers, and every member was expected to give back in some capacity. He strongly supported the CIT (Coach in Training) program and coach mentor-ship program and recognized the need to guide more young players into the Officiating programs. Robert believed that no matter how new to the sport you were there was always room to volunteer, learn the sport and become hooked for life.

Robert's philosophy was simple: 100% effort in everything you do, not only will the team benefit by your effort but you will always be proud of the effort. This applied on and off the ice.

Before his untimely passing Robert had been involved in the Ringette Community for over 16 years in roles ranging from parent to coach to president in both his local associations and in the National Capital Region Ringette League.

The Robert MacKean Scholarship Award

The Robert MacKean Scholarship Award is named in honour of Robert MacKean and his spirit and philosophy. This \$500 scholarship award recognizes a player in Ringette who has shown a commitment to volunteerism and to the true spirit of the sport, who will be proceeding to post-secondary education and will either continue to play, coach or officiate Ringette in some capacity.

Players are expected to have demonstrated pride and respect for the sport and its rules, the team and association you represent, the league in which they play and all the officials.

National Capital Region Ringette League
